

BUILD ON THE LEGACY

AND CELEBRATE YOUR CITY

ALL IN FOR ST. LOUIS

FRIDAY, NOVEMBER 3

5:30PM AT HYATT REGENCY AT THE ARCH

For Lewis and Clark, St. Louis was the gateway to the West. Now, over 200 years later, our city has become the ultimate gateway to ingenuity. This November, we invite you to celebrate the philanthropic and entrepreneurial forces that continue to grow the St. Louis startup culture — to change the local landscape and build the future of our city. The evening will feature networking, a seated dinner, an awards presentation and the unveiling of the entire 2017 Cohort of Arch Grants startups.

Join us as we build on the legacy — and know that your Gala Sponsorship helps underwrite costs for our annual competition, put in motion to accelerate economic development in the St. Louis region. Because together we are ALL IN FOR ST. LOUIS.
